OUR VISION AND MISSION

To be the leading producer of chili paste, curry paste and seasoning products in Thailand, by creating, producing and maintaining high quality, safe, fresh products, that are delivered on time.

OUR HISTORY

Jarome Curry Paste was established in 1986 by Ksorn and Somboon Arli-ae. Initially the product was only available to the local community and surrounding markets. Owing to its unique taste and flavor, Jarome started to gain a reputation not only in Trang province, but in neighboring provinces too. As demand increased and the business began to grow, management was taken over by Jet and Chutima Arli-ae who set about improving production processes and taking Jarome from a humble home industry, to a thriving international organisation. Quality ingredients and continued improvement have earned Jarome numerous awards and certifications over the years including

- Good Manufacturing Practice (GMP)
- Hazard Analysis Critical Control Point (HACCP)
- HALAL
- The British Retail Consortium (BRC)
- Food and drug administration (FDA)
